Summary: will Haleb be together on christmas?

Christmas surprise

Captain swan!

This chapter will be a bit rubbish but it will get better.

So emma was driving off in her yellow bug, as the curse drew past her, her and henry were in the car driving past the town line. Hook was devastated that she had to be gone, and she won't remember him. As Regina tried to hold it back it just didn't work so they all appeared in the enchanted forest.

1 YEAR LATER,

Emma was in her kitchen with henry, Henry was playing on his P.S like usual. Emma was seeing this guy called walsh, he was a generous man, but suspicious. She was going out on a date with him, so henry stayed by him self...

THE DAY AFTER...

It was the morning, Henry had some pancakes and Emma the same, but dont forget Hot chocolate with cinnamon for both of them. There was a knock at the door, " I will get it" Emma said walking to the door.

"Swan" Hook randomly said.

"Who are you?" Emma said with her face looking puzzled.

(He was trying to kiss her as he would in Story brooke)

'She kneed him straight private parts'.

End
file.
